### **Landfill**

Once again, please be advised that there are specific areas designated for wood, tires, metal and electronics. There are also bins for aluminum cans, metal cans and plastic bottles. Please sort your garbage accordingly. If you're not sure where to put your garbage just ask the attendant. Keeping our landfill organized will not only benefit the town but our future generations as well.

### **New Chief Building Official**

On behalf of the Township of La Vallee we would like to welcome Mr. Rick Hallam as our new Interim Chief Building Official. At the same time, we would like to thank Mr. Marc McPherson for his time here and we wish him the best of luck in his future endeavours.

### **Devlin Youth Baseball a Success**

The Youth Baseball that took place in Devlin this summer was a success. There were approximately 80 youth, ages 5-14, from all around the district that had participated. We would like to thank all of the coaches and volunteers (whether it was out on the field or in the canteen) who took the time to help out during those six weeks. After purchasing all new ball equipment, a hotdog cooker plus all the food/snacks the Devlin Youth Baseball cleared approximately \$300.00 which will be put towards next year's baseball. Hope to see you all again in 2018!

*Under the hot summer sun, make safety priority number one.*
