Special Meeting Notice

Please be advised that there is a Special Meeting scheduled for Tuesday, May 30th, 2017 at 10:00 a.m. at the Municipal Office. The purpose of this meeting is to discuss the budget for 2017, Roads Projects for the year and the Minimum Tax Bill. This meeting is open to the public.

Fire Permits

Fire permits are required January 1st to December 31st yearly. Please ensure you have a valid permit for outdoor wood stoves, burning barrels, fire pits and for any other outdoor burning. **NO DAYTIME BURNING IS ALLOWED.**

Fire Department Fundraiser

The La Vallee Firefighters Association would like to thank everyone who attended and contributed towards the Spaghetti Fundraiser Dinner. The fundraiser was a success and the monies will be used to purchase firefighting gear.

Renovations to the Emo Clinic

The Emo and District Hospital Auxiliary is fundraising for renovations to the Emo Hospital Basement/Clinic area. They are pledging \$20,000 for their share of the project. These improvements will help have a welcoming area and for doctor recruitment. The Emo Hospital Auxiliary has just celebrated 30 years of service to the community and they are now asking for donations towards these much needed renovations. Cheques can be made to Emo and District Hospital Auxiliary and mailed to Christine Hartry, Box 505, Emo, Ontario P0W 1E0 or given to Tracy Grennier, Administration, at the Emo Hospital. Tax receipts will be issued. Please help them meet their goal in this *NECESSARY* and *WORTHWHILE* project.

Devlin Hall Renovations

On behalf of the Township of La Vallee we would like to extend a thank you to all who helped with the Devlin Hall Renovations. Also, this wouldn't have been possible without FedNor's contribution of a \$25,500 grant. The renovations included adding a wheelchair accessible family washroom, improvements to the roof, an automatic door opener and widening and extending the parking lot for angled parking.

911 Hang-Ups

Please be advised that the Municipality is billed for every 911 call that police attend. Should you call 911 and then realize it was in error, please stay on the line and let them know you've dialed in error. This will save them the trip which in turn will save us the cost. In 2016 alone the police had responded to 347 activities within our Township.
