Fire Numbers

It is the homeowners' responsibility to make sure your fire numbers are in good shape. Should you notice that your fire number is damaged in some way, please contact the Municipal Office to have them replaced.

Just a reminder that permits are required for any and all temporary and permanent entrances. Applications can be picked up at the Municipal Office.

Pets Running at Large

Please be advised that it is your responsibility to keep your pets under control and ensure that they are contained either by a chain or a rope so that they are not running at large. If a pet is seen running at large they will be brought to the local pound.
