Santa's visit

with goodies for the kids!

The Municipality is looking for someone to play Santa at the Community Christmas Dinner this year that the Devlin Hall December 15, 2024. If anyone is interested, please contact the Municipal Office.

Safety Tips

Winter is coming that means colder weather along with snow and freezing temps. Stay warm this winter when it is cold outside by dressing in layers, wearing a hat, mittens or insulated gloves. Keep any exposed skin covered to avoid frost bite.

How to stay safe at home during winter months:

1. Service your heating system
2. Check your smoke and carbon monoxide detector batteries.
3. Stock supplies ie: Water, canned goods and non-perishables.
4. Keep your walkways clear from ice and snow to avoid slips and falls.

SNOW REMOVAL

Reminder to those who require Snowplowing services, a waiver form must be filled out every year before services will start. The forms can be obtained from the La Vallee Municipal Office.

Please be advised that when we receive heavy snowfall, all municipal roads are plowed first and the driveways are done next day. We no longer have an "on-call" list to plow driveways. Our roads department do not plow driveways on weekends or holidays, please make alternate arrangements.

For safety reasons the driveways will not be plowed if any individual or animal(dog) is outside when plowing.

Please don't leave snow or bumps on any municipal roads when plowing your own driveways. This is a hazard.
